Sir

Sub: UCSI, MGU - National Science Day Celebrations – conduct of competitions – reg.

~~~~~

With reference to above cited, On 28<sup>th</sup> February in the year 1928, the renowned Indian Physicist Sir Chandrashekara Venkata Raman discovered the "Raman effect". The Government of India has declared to celebrate "National Science Day" every year on 28<sup>th</sup> February since 1986. The basic objective of observation of National Science Day is to spread the message of importance of Science and its applications among the people.

The University of College of Science and Informatics celebrating "National Science Day" on 28<sup>th</sup> February 2019. In this occasion we are conducting the competitions in Quiz, Elocution, Models / Experiments / posters for Degree and PG level students separately in the morning session on 28<sup>th</sup> February, 2019 and also organizing lectures in the afternoon session.

Hence, I request you send the interested students list for the above competitions on or before 23.02.2019.

Yours faithfully
